The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for Marion County Public Safety Alerting System in fiscal year 2024. The entity to receive funding for this project is Marion County Public Works, located at 5155 Silverton Road NE, Building 1 Salem, Oregon 97305. The funding would be used for construction of a public safety alert system in the North Santiam River Canyon, Oregon.

The project is an appropriate use of taxpayer funds because the project maintains Marion County's emergency management program compliance with the National Incident Management System (NIMS).

The project has a Federal nexus because the funding provided is for purposes authorized by 34 U.S.C. 10381(b)(8).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Lori Chavez-DeRemer
Member of Congress
